Letter to Editor

Running Head

Characters: Up to 50

Font: Cambria (Headings)

Size: 12

Alignment: Left

Running head should be added in the Header along with the page numbers.

Type of Article

Research Article/ Case Report/ Review Article/ Opinion/ Short Communication/ Mini Review/ Letter to Editor

Title

The title of the paper should provide a concise statement of the contents of the paper. A good title is very important and will attract readers and facilitate retrieval by online searches, thereby helping to **maximize citations**. The title should include topical keywords and allude to the interesting conclusions of the paper. A title that emphasizes the main conclusions, or poses a question, has more impact than one that just describes the nature of the study.

Words: Up to 20

Font: Cambria (Headings)

Size: 15

Alignment: Center

Title should be in Bold and in Title Case.
